IN DATE

DUNS: 09-859-2157	DATE PRINTED	SUMMARY
TECHNICAL INDUSTRIES INC	AUG 26 2005	RATING 3A1

The Rating was changed on April 23, 2005 because D&B's analysis of the financial statement supports a higher Rating. The "3A" portion of the Rating (the Rating Classification) indicates that the company has a worth from \$1 million to \$10 million. The "1" on the right (Composite Credit Appraisal) indicates an overall "strong" credit appraisal. This credit appraisal was assigned because the payment information in D&B's file indicates that this company's obligations are retired satisfactorily and because of D&B's "strong" assessment of the company's December 31, 2004, abridged, fiscal financial statement.
